Building Appearance and Structure: (page 27 of the House of Rules)

- A) Nothing shall be done in any unit or to the common areas which shall impair the structural integrity of the building or which would structurally or architecturally alter any of the building except upon the prior written consent of the Board of Managers.
- B) Nothing shall be installed or constructed on the roof or outside walls without the prior written consent of the Board of Managers.
- C) No awnings or other projections shall be attached to the exterior of the building or any of the common areas without prior written consent of the Board of Managers.

I hereby request approval for the following exterior building modification. I have attached a sketch of the proposed changes, listed materials to be used and indicated who will do the work.

Please be explicit. Extra sheets may be attached.

You can upload a picture in the CONTACT US form on the bottom of our website www.CroftonInc.com please reference this variance.
